§ 2634.101 Authority.

The regulation in this part is issued pursuant to the authority of the Ethics in Government Act of 1978, as amended; 26 U.S.C. 1043; the Federal Civil Penalties Inflation Adjustment Act of 1990, as amended by the Debt Collection Improvement Act of 1996; and Executive Order 12674 of April 12, 1989, as modified by Executive Order 12731 of October 17, 1990.

[64 FR 47096, Aug. 30, 1999]

§ 2634.102 Purpose and overview.

(a) This regulation supplements and implements title I of the Act and section 201(d) of Executive Order 12674 (as modified by Executive Order 12731) with respect to executive branch employees, by setting forth more specifically the uniform procedures and requirements for financial disclosure and for the certification and use of qualified blind and diversified trusts. Additionally, this regulation implements section 502 of the Reform Act by establishing procedures for executive branch personnel to obtain Certificates of Divestiture, which permit deferred recognition of capital gain in certain instances.

(b) The rules in this part govern both the public and confidential (nonpublic) financial disclosure systems, except as otherwise indicated. Subpart I of this part contains special rules unique to the confidential disclosure system.

§ 2634.103 Executive agency supplemental regulations.

(a) This regulation is intended to provide uniformity for executive branch financial disclosure systems. However, an agency may, subject to the prior written approval of the Office of Government Ethics, issue supplemental regulations implementing this part, if necessary to address special or unique agency circumstances. Such regulations:

(1) Shall be consistent with the Act, Executive Orders 12674 and 12731, and this part; and

(2) Shall impose no additional reporting requirements on either public or confidential filers, unless specifically authorized by the Office of Government Ethics as supplemental confidential reporting.

NOTE: Supplemental regulations will not be used to satisfy the separate requirement of 5 U.S.C. App. (Ethics in Government Act of 1978, Section 402(d)(1)) that each agency have established written procedures on how to collect, review, evaluate, and, where appropriate, make publicly available, financial disclosure statements filed with it.

(b) Requests for approval of supplemental regulations under paragraph (a) of this section shall be submitted in writing to the Office of Government Ethics, and shall set forth the agency's need for any proposed supplemental reporting requirements. See § 2634.901 (b) and (c).

(c) Agencies should review all of their existing financial disclosure regulations to determine which of those regulations must be modified or revoked in order to conform with the requirements of this part. Any amendatory agency regulations shall be processed in accordance with paragraphs (a) and (b) of this section.

§ 2634.104 Policies.

(a) Title I of the Act requires that high-level Federal officials disclose publicly their personal financial interests, to ensure confidence in the integrity of the Federal Government by demonstrating that they are able to carry out their duties without compromising the public trust. Title I also authorizes the Office of Government Ethics to establish a confidential (nonpublic) financial disclosure system for less senior executive branch personnel
